

# Cheongye Kwan Mission Statement

“The purpose of the Cheongye Kwan - Korean Martial Arts Association is to promote the value of education, self-discovery and self-worth amongst its members through the practice of **Authentic, Traditional** and **Professional** Korean based Martial Arts Disciplines. The perfection of character, peak of physical fitness and the absolute abolishment of ego are our primary targets.

Helping students to become more self aware of their personal flaws and imperfections through hard diligent Martial study is the ultimate reason our schools exist, and through a students continued efforts and loyalty to the art and association, they can work effectively on helping themselves to reduce that list of flaws over a period of time.

All Cheongye Kwan our schools and instructors will all give there very best to help facilitate any student with problems that they may have, in order to help them feel a part of their school and the association overall.“
